11. Alumni have presented a computer printer.

6.12 Activities and support from the Parent – Teacher Association

ACTIVITIES AND SUPPORT FROM THE PARENT TEACHERS ASSOCIATION

ACTIVITIES

1. This meet is organised in the institution in the form Parents – Students – Teachers Colloquium. (PSTC)
2. To the possible extent meets are organised 4 times in a year (as the most of the parents are workers and are not afford to be absent for work and bread winning)
3. At the time of admission/date of reopening, defined Parents meeting day, AnnaiyarJayanti day, Convocation day, PadaPooja day and Lighting ceremony are the days the meetings are conducted.
4. The parents of the students have to accompany the children for attending on duty programmes/ NSS camps and other competitions.
5. During the PSTC, one of the parents are assigned/requested to address/hoist the flag/light the lamp

SUPPORT

1. As the college is remote and rural based, the students are economically weak and parents too are fragile. Our system functioning is little rigid from waking up to bedding with multifarious activities. The hostellers have duties of housekeeping, resource serving, performing decoration, performing pooja, performing meditation, kitchen practice etc. In the beginning though the students find different and difficult, latter adopt to the system. In this transition period the parents are supporting the college system and thereby the children become promising citizen.
2. In case of acute economic crisis if any of the parent represent the difficulty, the same is genuinely considered to provide reasonable concessions in food/fees or both.
3. The college is not subscribing any fee or other money collection from the parents or students for this colloquium.
4. In case of untimely situations, the parents are provided with free accommodation at our campus on emergency basis.

6.13 Development programmes for support staff

1. Department of computer science/IT/BCA are conducting Computer Orientation Courses for the Non-Teaching staff and provide continuous support for their efficient computer operation
2. Non-Teaching staff are highly motivated for their higher education through financial support by the Management.

6.14 Initiatives taken by the institution to make the campus eco-friendly

Our college has adopted several environment protective measure to maintain an eco-friendly campus. These practices induce the students to give care for nature and to bestow it to the forthcoming generations.

1. Electricity is preserved by turning off lights and fans, while leaving a classroom.
2. Faculty and students are often instructed to unplug the electric and electronic equipments after use.
3. Energy consuming tube lights and sodium lamps are gradually replaced by energy saving CFL/LED.
4. Replacement of old computer monitors with LCD Monitors to reduce electricity consumption and level of radiation.
5. Periodical maintenance and overhaul of power generators (AMC).
6. Regularly faucets and pipes are checked for leaks to avoid wastage of water.
7. Keeping the computer to sleep mode instead of screensaver.
8. Hostel kitchen uses the organic food crops obtained from our kitchen garden and farms to the possible extent.
9. Rain water harvesting is available in all buildings.
10. Planting a variety of trees and maintaining the kitchen garden to keep carbon neutrality in the campus.
11. The students are instructed not to use polythene bags.
12. Paper cups and plates are used in canteen.

7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

1. Regular discourse by Swamiji's and Amba's to promote the 'Habit of Postive Way of Thinking' by inculcating belief and moral values in the sub-conscious minds of the faculty
2. Continuous Moral Education (CME) a Novel programme of our college conducted by experts. The life training subjects discussed include Nutrition, Yoga, Health,, Personality development, Communication skills and Morality of life.
3. Faculty Development Programme.
4. Inter-Disciplinary Learning: Students give a bird's eye view of their discipline to the students of other departments through presentations using PPT.
5. A remedial classes are conducted for slow learners to provide them the best possible opportunities.
6. Resident SCSL students are guided by the faculty members in the hostel by intensive coaching with daily test writing practice.
7. The students who come from Tamil medium are given special training in English
8. The students' mentor helps to overcome complications and inhibitions by giving appropriate counselling.
9. The Bridge course is done to the First semester /first year students as a preparatory measures to orient on situation and course of study.
10. Orientation Programme in the beginning of the Second semester. It concentrates on the general study skill (such as academic writing, time management and to do independent projects) to impart knowledge in specific areas related to their chosen field. It is a confidence building measure.
11. Pre-Semester courses for third year students. At the fifth semester the students undergo Career Guidance, Counselling and Soft Skill Development.
12. Story Telling sessions during assembly.
13. To develop the general knowledge and vocabulary of the students, we have taken care that every student should have her reading habit with a copy of Indian Express, a National Daily.
14. The management encourages the intellectual development of the students and staff by permitting them to attend various conferences/seminars in our colleges on duty.
15. The management encourages conducting Faculty Development Programme which helps the teachers to deal with students with various learning disabilities and also helps the staff to develop professionally as an efficient role model teacher.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

6	To start Continuous Moral Education classes for staff to handle the adolescent students and to counsel them	CME programme is in practice
7	To start NCC	It is in process

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

<p style="text-align: center;">Title of the Best Practice I</p> <p style="text-align: center;">Student Support Service through Moral and Financial Aid</p> <p>Goal</p> <ol style="list-style-type: none"> 1. To increase the Gross Enrolment Ratio in Higher Education 2. To control the dropout rate. 3. To increase the course completion rate. <p>The Context</p> <p>Higher education is a costly proposition and all indications show that the costs will only increase further. With the rising cost of a college education, students and parents are pushed to avail various types of financial assistance. With the right grants, at the right time, students can craft their dreams about higher education into reality.</p>

The Practice

The economically weaker students are identified by the Management through counsellors. A strong moral support is provided to them. Financial aid is given through Swami Chidbhavananda Memorial Student Aid Fund, Freeships (general and sports quota), Central and State Government scholarships, Farmer scholarships and other welfare scholarship schemes.

Evidence of Success

1. The Students who have received moral and financial aid, scored high marks and completed the course on time.
2. The student Drop out rate is decreased.
3. The sports persons secured State level awards

Problems Encountered and Resources required:

1. Most of the students enrolled in our college are from the economically weaker section.
2. Financial aid is required from Government and other agencies.
3. Government/UGC can consider the senior colleges who ever excel in quality of teaching, research and extension may be given special grants or some basic grants to the colleges to serve more.

Title of the Best Practice II

Prayer for Harmonious development of the student

Goal

1. To improve self-control
2. To inculcate the moral values
3. To improve the power of concentration.
4. To develop positive thinking.

The Context

Since inception our college insists on the Harmonious development of the Hand, the Heart and the Head. Spiritual wisdom is essential to cultivate a balanced mind. Consequently, one learns to cultivate self-control, discriminate between what is eternal and transient, practice equanimity and follow one's own dharma. Dharma requests one to perform the duties of life in accordance with universal ethical values.

The Practice

1. Daily routine starts with a common prayer.
2. Our prayer sessions act as a catalyst for the development of self knowledge.
3. The practice of prayer intensifies our faith, nourishes our hope, and trains us to center ourselves in our relationships with the divine.
4. Students are trained to come orderly and silently into the prayer hall and chant OHM SHAKTHI mantra.
5. Students are made to sit in the right posture in a straight line which is a yoga practice.
6. Students are brought into the spiritual wave by chanting Namavali.
7. Students sing Spiritual, Patriotic, Motivational and inspiring songs. Music is also very good breathing exercise for the lungs as lot of oxygen is inhaled while singing loudly.
8. The most powerful hymn Gayathri mantra is chanted to boost the mental and physical health of the students.
9. Daily meditation for 2 minutes practiced by the students enhances the concentration power.
10. Sharing of practical experience mingled with divine wisdom is poured into the heart and soul of the students through the reading of Daily Divine Digest and DhinasaryDhynam in Tamil.

11. Meals of each time starts only after chanting Brahmarpanam (Taking the food as the Prasadham of Lord) which adds a divine value to the food and they consume the food completely.
12. Prayer is also practiced among students in hostel in morning and afternoon before lunch and evening.
13. Hostel students practice suryanamaskar and the exercises in yoga every day.

Evidence of Success

1. Our founder Swami Chidbhavananda believed that Women Empowerment could be achieved through Spiritual Literature.
2. Spiritual practices and yoga has augmented the concentration power which is evidently resulted in boost up of University Ranks.
3. Clean habits have ultimately cultivated rational thinking, which has resulted in problem solving.
4. Prayer sessions increase one's emotional/social maturity.
5. Prayer has given a sense of ease, comfort and protection, decreasing too much anxiety and irrational fear.
6. SaradaSutas, during Alumnae meet reflect and highlights their experience about the spiritual training gained here.
7. The successes attained by SaradaSutas are the live examples for the successes of our prayer.

Problem Encountered and Resources Required

At initial stages

1. Some of the students unable to do prayer with concentration.
2. They may feel sleepy during prayer.
3. They find difficult to sit on the floor.
4. But as they get practice, in due course of time they realize the benefits and the positive outcomes of the prayer which helps them to continue it without hesitation.
